Some important notes:

- Storage pricing is based on size of the boat.
- If you have a pontoon boat without a trailer, we **CAN** haul-out and store your boat.
- All haul-outs include pressure washing (acid wash is a separate charge).
- Shrink wrap is \$20/linear ft. Acid washing is \$10/ft + materials. Battery Care is \$40/battery.
- Winterization pricing is entirely dependent on engine, we will quote when we receive your request.
- Any haul-out other than a pontoon boat will require a separate fee for the haul-out.

Please feel free to share this for with anyone searching for Storage / Winterization options!

Thank you!
